Senior neighbors across 17 counties need our help as their challenges increase. Their need is growing. Our need for your help is growing.

In times past, what neighbors needed for livelihood was a barn raising. In times present, what seniors need for livelihood is a vision raising. Seniors should be safe in the embrace of community caring.

Our vision is to raise $400,000 in community support for senior services between now and June 1, 2019. As individuals, corporate sponsors, and foundations, you can help us reach our 20/20 goal:

20 x $20,000

Every dollar given will assure trusted guidance, nutrition, safety, wellness, and value for the lives of our seniors.

Every dollar given is eligible for a tax exemption letter.

The honor of being there for them lights our way. Please give what you can. Visit www.senioragemo.org/about-us/donate/ to make a secure donation.
With your help, we can reach our goal of $400,000 before June of next year. Your donations could help provide nutritious meals, in-home support, respite relief, transportation, and many other support services to over 100,000 seniors who count on our services to stay independent and in their homes.

### 20/20 ($20,000) VISIONARY HERO

### 20/10 ($10,000) HONORARY HERO
